

Our Operations Map

Products of portfolio companies are exported to the following countries:

Russia
Turkey
China
Kyrgyzstan
Uzbekistan
Tajikistan
Turkmenistan
As well as to the European Union and North America

Oil and gas sector

- Geological exploration
- Oil and gas production
- Oil and gas transportation
- Oil and gas processing
- Production of petroleum products, benzene and paraxylene
- Oilfield services

Oil and gas chemical and chemical sectors

- Polypropylene production
- Production of H_2SO_4
- Herbicide production
- Production of polymer products
- FEZ NINT infrastructure facilities

Mining and metals sector

- Geological exploration
- Mining Fe, Mo, W ores, polymetallic ores, U_3O_8
- Refining
- Purification and conversion
- Production of U_3O_8 , UO_2 powder, fuel pellets, Nb_4 , Be_4 , Ta_{73} , Au, Ag, Si and quartz
- Sales and transport

Transport and logistics sector

- Cargo transport
- Passenger transport
- Postal and courier services

Electricity sector

- Mining of thermal coal
- Electric power generation
- Heat energy production
- Transmission and distribution of electric power

Telecommunications sector

- Provision of all types of telecommunication services
